NOTICE OF ACTION

MEDI-CAL DENIAL AND DISCONTINUANCE

Gloria Lee
5212 Alameda Ave
Palo Alto, CA 94301-7513

We have reviewed your eligibility for health coverage. We used the information you gave us and state and federal data to make this decision.

As of 10/31/2026, Medi-Cal eligibility has been discontinued for the following member(s) of your family:

Name(s):
Gloria Lee

You did not return your annual renewal form (MC 210 RV) by the due date.

We asked you for the information, but we have not received it and it is essential in determining your Medi-Cal eligibility.

State Hearing: If you think this action is wrong, you can ask for a hearing. The back page tells you how. Your benefits may not be changed if you ask for a hearing before this action takes place. You have only 90 days to ask for a hearing. The 90 days started the day after the county sent you this notice.

Your eligibility to receive Medi-Cal will be discontinued effective 10/31/2026.

Medi-Cal benefits will be discontinued for:
Gloria Lee

Keep your plastic Benefits Identification Card (BIC). Please do not throw it away. You can use it again if you get Medi-Cal again.

We used the information you gave us and our records to make our decision. If you have questions or think we made a mistake, or if you have more information to give us, call or write to your worker right away.

Rules: These rules apply; you may review them at your local welfare office: California Code of Regulations, Title 22, sections 50175 and 50179.

YOUR HEARING RIGHTS

You have the right to ask for a hearing if you disagree with any county action. You have only 90 days to ask for a hearing. The 90 days started the day after the county gave or mailed you this notice. If you have good cause as to why you were not able to file for a hearing within the 90 days, you may still file for a hearing. If you provide good cause, a hearing may still be scheduled.

If you ask for a hearing <u>before</u> an action on Cash Aid, Medi-Cal, CalFresh, or Child Care takes place:

- Your Cash Aid or Medi-Cal will stay the same while you wait for a hearing.
- Your Child Care Services may stay the same while you wait for a hearing.
- Your CalFresh benefits will stay the same until the hearing or the end of your certification period, whichever is earlier.

If the hearing decision says we are right, you will owe us for any extra Cash Aid, CalFresh or Child Care Services you got. To let us lower or stop your benefits before the hearing, check below:

Yes, lower or stop: ☐ Cash Aid ☐ CalFresh ☐ Child Care

While You Wait for a Hearing Decision for:

<u>Welfare to Work</u>:

You do not have to take part in the activities.

You may receive child care payments for employment and for activities approved by the county before this notice.

If we told you your other supportive services payments will stop, you will not get any more payments, even if you go to your activity.

If we told you we will pay your other supportive services, they will be paid in the amount and in the way we told you in this notice.

- To get those supportive services, you must go to the activity the county told you to attend.
- If the amount of supportive services the county pays while you wait for a hearing decision is not enough to allow you to participate, you can stop going to the activity.

<u>Cal-Learn</u>:

- You cannot participate in the Cal-Learn Program if we told you we cannot serve you.
- We will only pay for Cal-Learn supportive services for an approved activity.

  - » my household changes (for example, marriage/divorce, become pregnant, or have a child(ren))
  - » I become qualified for other health insurance
- If I am enrolled in Covered California, I understand I must report changes within 30 days. I can call Covered California at **1-800-300-1506** (TTY: 1-888-889-4500) or visit **CoveredCA.com**.
- I understand that I must report income changes to my local county office because it may affect the eligibility for Medi-Cal benefits or Covered California for the amount of state and federal financial help that I may be eligible to receive. I also understand if I receive too much financial help during the benefit year, I will have to repay the extra premium assistance or state subsidy back to the IRS or California Franchise Tax Board when I file my federal and state income taxes for the benefit year.
- I give my permission to Covered California and the Medi-Cal program to check other agencies' computer records to verify citizenship or whether I am lawfully present in the U.S., tax information, and other information related only to eligibility to see if I and other people on this renewal qualify for health insurance.
- I understand that as required by law, the information I provide about myself and other people on this renewal for Medi-Cal will be checked by computer with facts given by employers, banks, SSA, Internal Revenue Service, Franchise Tax Board, social services and other agencies to see if I or other people on this renewal qualify for health insurance.

- I know that if Medi-Cal pays for a medical expense, any money I or anyone on this renewal form gets from other health insurance or legal settlements related to that expense will go to Medi-Cal as payment for the expense until the expense is paid in full.
- For parents whose child or children qualify for Medi-Cal: I know I will be asked to help the agency that collects medical support from any parent on this renewal form who does not live with the child and does not send support for the child. If I think that helping will harm me or my children, I can tell the Medi-Cal program and I will not have to help.

Right to Appeal

If I think the Medi-Cal program or Covered California has made a mistake, I can appeal its decision. To appeal means to tell someone at the Medi-Cal program or Covered California that I think its decision is wrong and ask for a fair review of the action.

I know that I must file an appeal within 90 days of the decision. I know that I can represent myself or have someone else represent me in my appeal, such as an authorized representative, a friend, a relative, or a lawyer.

I know that if I need help, someone at the Medi-Cal program, Covered California, or the local county office can explain my case to me.
